Expand Energy Discount Options

Expand Energy offers two early pay discount options. These options are Flex Pay or Standard Discount. See below for more detail.

Standard Discount
1%/45 net 60 or 2%/30 net 60 is an option for all of your invoices. If you are interested, please contact supplierrelations@expandenergy.com for the next steps.

Flex Pay Discount
Flex payment discount option is for invoices that are approved in our system and waiting for a due date before the check is cut. Program features include:

- Your company will receive a daily email with an excel attachment listing your invoices that are approved and eligible for early payment.
- You could select some, all or none of your invoices that you want to receive an early payment discount.
- Each invoice is eligible for a different discount based on your selection from the below discount options.

Days Early	Terms	Discount
5	55	0.75%
10	50	1.00%
15	45	1.50%
20	40	1.75%
25	35	2.00%
30	30	2.25%
35	25	2.50%
40	20	3.00%
45	15	3.50%
50	10	3.75%
55	5	4.00%

If you would be interested in participating in our pilot program, please send the information below to flexpay@expandenergy.com. We will reach out to you with more information.
