We're Expand Energy. Your Neighbor. Your Partner.

Expand Energy, formed in 2024 through the combination of Chesapeake Energy and Southwestern Energy, is North America's largest natural gas producer and a leading producer globally.

Our natural gas assets strengthen our local communities by generating quality jobs, royalty payments, tax revenue and charitable donations.

Above all, we are committed to providing a safe and environmentally responsible work setting for our employees, contractors, landowners and the communities where we operate.
